

Prayer Requests and Praises

“First of all, then, I urge that entreaties and prayers, petitions and thanksgivings, be made on behalf of all men, for kings and all who are in authority, so that we may lead a tranquil and quiet life in all godliness and dignity.”

-I Timothy 2:1-2

Pray for:

- God’s blessing on the President** and all those in leadership in our nation, state and city.
- All members of our staff** as they seek to honor the Lord in their respective ministries.
- Missionary focus of the week:** Pray for Andrew & Anne Sims serving with The Seed Project. Specific requests are:
 - 1) Praise the Lord with us that we have now finished the full text translation of the Lik NT! 2) Pray for processing and formatting the Lik NT text to prepare it for sending to a publisher. 3) Pray for the Ketengban OT project as it is now nearing completion: only half of Proverbs remains to be translated. 4) Pray for us as Andrew prepares for another two-month long trip to Papua in June-July. 5) Pray for Anne as she stays in the USA to work and to be of help to our daughter as together we look forward to our first grandchild in late July! 6) Pray especially for spiritual protection of all involved as history shows that as they approach the end of a translation project, the enemy ramps up his opposition in a host of large and small obstacles and difficulties, but God will triumph as we depend on him and pray!
